OUTSIDE ACTIVITIES

1. [REDACTED] conferred with several officers in the EE Division regarding the satellite countries Watch List program. This Watch List program is a list of individuals that the different satellite country branches in the EE Division compile every six months. It contains the names, date, place of birth, and other pertinent information of those individuals we are interested in contacting or watching. These lists are forwarded to our field stations so they can alert Headquarters or the interested field stations in case anyone on these lists travel to their areas. The information obtained on this Watch List program will be incorporated into the Name Check lecture.
